REPORT
City of Bijeljina – European City of Sport 2020
By obtaining the status of "European City of Sports 2020", the City of Bijeljina started with activities to promote the award and all accompanying content related to that status.

ACES is also presented on the official website of the City of Bijeljina

https://www.gradbijeljina.org/sr/1798.grad-sporta.html
ACES and the European title were promoted on the propaganda material, which we shared with gifts to the partners of the City of Bijeljina for the New Year and Christmas holidays.

In cooperation with the sponsor of competitions „Sport Vision“ sport company, we have branded sports facilities where competitions take place.
January

Every year in January, we organize the traditional event "Athlete of the Year of the City of Bijeljina" ACES was present in all aspects of this year's event. All awards had title features.
February and March

In February and March, school competitions were held for primary and secondary schools in indoor soccer, volleyball, basketball, handball, athletics and chess as part of the "Small Olympic Games", which are held every year under the auspices of the Ministry.
Prizes with the ACES logo are provided for all competitions

Jun and July

Current activities are aimed at further promotion of ACES, but the continuation of the competition is uncertain due to Covid 19 pandemic.

A brochure on the most significant achievements of the City of Bijeljina is currently being prepared, in which the sports presentation of the city will take a significant place.
Also, we emphasize the advice, support and assistance in making a presentation of the City of Zrenjanin for the City of Sports 2021. The Mayor of Bijeljina, Mr. Mićo Mićić recommended the City of Zrenjanin from the Republic of Serbia for the candidacy of ACES.
